President's Report

Dear Members,

As another successful season comes to a close, I would like to take this opportunity to reflect on what has been a fantastic year for the Newcastle Port Stephens Game Fish Club.

Firstly, I would like to thank all of our members for their continued support, commitment, and passion for our club. A strong club is built by its members, and the participation, friendship, and sportsmanship shown throughout the season is what continues to make NPSGFC one of the great game fishing clubs in the country.

I would also like to acknowledge and thank all of our staff and volunteers who have put in countless hours behind the scenes to keep the club operating at such a high standard. Your dedication and hard work often goes unnoticed, but it is greatly appreciated and is a major reason behind our ongoing success.

A special thank you goes to Nigel and Rebecca, for their outstanding contribution throughout the year. The time, effort, and commitment you have both put into the club has been exceptional. Your leadership and support have helped ensure the club continues to move forward both financially and operationally.

This year has been an outstanding year for the club financially, with NPSGFC achieving a record profit. This result is a credit to everyone involved and highlights the strength, stability, and positive direction of our club. It is a great position to be in and allows us to continue investing back into the club and providing better opportunities and facilities for our members.

Congratulations also to all members who participated in the Garmin Billfish Shootout. This event continues to grow in strength and reputation, and it was fantastic to see the level of competition, sportsmanship, and camaraderie on display. Congratulations to all the winning boats and anglers throughout the season — your achievements are a reflection of the skill and dedication within our club.

I would also like to address the ongoing discussions around the NSWGFA proposal to move the Interclub competition. As a club, NPSGFC believes strongly in the importance of the Interclub event and what it represents for game fishing, our members, and the wider fishing community. We will continue to advocate for our members and stand up to protect the traditions and opportunities that have been built over many years. We will fight against any move that we believe is not in the best interests of our club and our members.

Looking ahead, the future remains very positive for NPSGFC. With a strong membership base, a successful operation, and a passionate group of people involved, our club is in an excellent position to continue growing.

Thank you once again to everyone who has contributed to making this season such a success. I am proud to be part of this great club and look forward to another exciting season ahead.

SECRETARY MANAGERS REPORT

Hi Members,

I'm delighted to share with you the trading results for 2025-2026. It brings me immense joy to announce again that your club has achieved a record profit of \$288,666.00, a true testament to the strategic vision and foresight of our committee and management team.

This accomplishment ensures our club remains financially strong and prepared for challenges ahead. In addition to this milestone, the club has also reached a significant turnover achievement. This year's total turnover has achieved an impressive growth of 13.4%.

The bar operations have excelled, with a turnover increase of 11.3% growth. The bar's gross profit margin remains robust at 63.7%, while wages account for a manageable 24.2%. This is a stellar performance.

Gaming operations also produced remarkable results, with poker machine turnover grew by a healthy growth of 7.8%, leading to a healthy net profit.

The board and management continue to deliver outstanding outcomes. As Australia's largest game fishing club, we are proud to maintain a solid fishing membership base. Our social membership continues to hold strong at 2,664 members, reflecting the club's appeal to both locals and visitors alike. This is further reinforced by our staff's unwavering dedication to providing exceptional service and top-notch amenities. Our annual game fishing tournament, widely regarded as one of the best in the country, continues to strengthen our reputation as a leader in the sport.

Financially, the club remains in excellent shape, securing healthy profits year after year. This strong financial position is exemplified by the management of our extension loan, which has been reduced from \$1,150,000.00 to \$21,851.00 in just 4 years, a remarkable achievement that underscores the prudent financial stewardship of your committee and management team.

I would like to express my heartfelt gratitude to the club's staff for their tireless efforts and dedication. Special thanks go to our caterers, Grant and Bruce, who have introduced innovative dishes and specials, consistently delivering outstanding culinary experiences for our members and guests.

Lastly, I want to thank all our members for their support and contributions throughout the past year. Together, we have achieved extraordinary success, and I look forward to more prosperity in the year ahead, 2026-2027.

Warm regards,

Warm Regards,

Nigel Rushworth

Notes to the Financial Statements

For the Year Ended 31 May 2026

The financial report covers Newcastle & Port Stephens Game Fish Club Limited as an individual entity. Newcastle & Port Stephens Game Fish Club Limited is a not-for-profit Company limited by guarantee, incorporated and domiciled in Australia.

The principal activities of the Company for the year ended 31 May 2026 were the operation of a Registered Club and the promotion and provision of sporting and social amenities to members and their guests.

The functional and presentation currency of Newcastle & Port Stephens Game Fish Club Limited is Australian dollars.

The financial report was authorised for issue by the directors on the same date as the directors' report.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures and the Corporations Act 2001.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Material accounting policy information is consistent with prior reporting periods unless otherwise stated.

Comparative information has been reclassified, where necessary, to conform with the presentation adopted in the current financial year.

Specifically, poker machine revenue is presented in the current year on a net basis, representing gross gaming revenue after player payouts. In the prior year, poker machine takings and player payouts were presented separately as revenue and expenses. Comparative amounts have been reclassified to conform with the current year's presentation which has resulted in a decrease in both prior year poker machine revenue and expenditure by \$1,559,095. The reclassification has no impact on the Club's reported profit, total comprehensive income or financial position; or on net operating cash flows.

2 Material Accounting Policy Information

(a) Revenue and other income

Revenue from contracts with customers

Revenue is recognised on a basis that reflects the transfer of control of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services.

The revenue recognition policies for the principal revenue streams of the Company are:

Sale of Goods

Revenue from the sale of goods is recognised at the point in time when the customer obtains control of the goods, being when food and beverages are supplied to the customer.

Membership revenue

Revenue from the provision of membership subscriptions is recognised on a straight-line basis over the financial year.

Notes to the Financial Statements For the Year Ended 31 May 2026

2 Material Accounting Policy Information

(a) Revenue and other income

Rental income

Investment property revenue is recognised on a straight-line basis over a period of the lease term so as to reflect a constant periodic rate of return on the net investment.

Other income

Other income is recognised on an accruals basis when the Company is entitled to it.

(b) Income tax

The Company is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(c) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and subject to an insignificant risk of change in value.

(d) Inventories

Inventories are measured at the lower of cost and net realisable value.

Cost of inventory is determined using the weighted average costs basis and is net of any rebates and discounts received.

(e) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Land and buildings

Land and buildings are measured using the revaluation model.

Plant and equipment

Plant and equipment are measured using the cost model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the Company, commencing when the asset is ready for use.

Notes to the Financial Statements For the Year Ended 31 May 2026

2 Material Accounting Policy Information

(e) Property, plant and equipment

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings	2.5% - 10%
Poker Machines	20%
Plant & Equipment	15% - 30%
Motor vehicles	18%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(f) Financial liabilities

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Company comprise trade and other payables and bank borrowings.

(g) Employee benefits

Provision is made for the Company's liability for employee benefits, those benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using the G100 discount rates specifically developed for the purpose of discounting employee benefits under AASB119. Changes in the measurement of the liability are recognised in profit or loss.

3 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key judgments - taxes

The directors have applied judgement in assessing the Company's eligibility for exemption from income tax under Division 50 of the Income Tax Assessment Act 1997. This assessment requires consideration of whether the Company continues to satisfy the legislative requirements, including that it operates on a not-for-profit basis and principally for its established purposes. Based on this assessment, the Company has concluded that it remains exempt from income tax.

3 Critical Accounting Estimates and Judgments

Key estimates - provisions

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

Key estimates - property held at revaluation

Independent valuations of property (land and buildings) were obtained on the 15th August 2014 for 55 Shoal Bay Road and 4th August 2021 for 57 Shoal Bay Road. The directors have reviewed these valuations and updated them based on valuation indexes for the area in which the property is located. The valuation is an estimation which would only be realised if the property is sold.

Key estimates - useful lives of assets

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant & equipment. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Performance obligation information

Sale of goods to customers

When recognising revenue in relation to the sale of goods to customers, the key performance obligation of the company is considered to be the point of delivery of the goods to the customer, as this is deemed to be the time that the customer obtains control of the promised goods and therefore the benefits of unimpeded access.

Poker Machine Revenue

The key performance obligation in regards to poker machine revenue is considered to be when the services are rendered to the customer.

Fair value measurement

Land and buildings are measured at fair value based on independent valuations performed by qualified external valuers. The revaluations were based on the assessment of their current market value. The properties are considered to be specialised commercial property and the valuations utilised capitalisation of income and market comparison methodologies to determine the fair market value.

The independent valuation of 55 Shoal Bay Road was carried out on 15th August 2014 by T.J Morton FAPI and has assessed the value of the land and buildings to be \$1,175,000.

Fair value measurement

The independent valuation of 57 Shoal Bay Road was carried out on the 4th August 2021 by Knight Frank Newcastle and has assessed the value of the Club's land and buildings to be \$2,650,000.

The directors have reviewed the carrying value at 31 May 2026, taking into account the valuations from 2014 and 2021 and the capital improvements since such time and are satisfied that carrying amount does not exceed the recoverable amount of the land and buildings at 31 May 2026.

The Company is currently in the process of obtaining another independent valuation by a property valuer, registered with the Australian Property Institute and with relevant experience in valuing this specialised type of property. This valuation has not been completed at the time of this report.

Core Property

The directors have resolved that the Club's main premises and the land it occupies is deemed to be core property for the purposes of Section 41J of the Registered Clubs Act.

Independent Audit Report to the members of Newcastle & Port Stephens Game Fish Club Limited

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Newcastle & Port Stephens Game Fish Club Limited (the Company), which comprises the statement of financial position as at 31 May 2026, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, consolidated entity disclosure statement and notes to the financial statements, including material accounting policy information and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Company's financial position as at 31 May 2026 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards - Simplified Disclosures and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Revaluation of Property

We draw your attention to Note 10 which describes the valuation basis of property held at revaluation. We note that the Club is currently in the process of seeking an appropriate qualified independent valuer to complete a valuation of the Club's property. As these are specialised buildings and include Club core property, a valuer with the necessary expertise is being sought to conduct this valuation. The quantitative effect of the difference between the carrying amount as at 31 May 2026 and the fair value cannot be determined reliably at this time. In our opinion, it is not expected that the revaluation would influence the decisions of the primary users of the general purpose financial report and therefore our opinion is not modified in respect of this matter.

PKF NENW Audit & Assurance Pty Ltd is a member of PKF Global, the network of member firms of PKF International Limited, each of which is a separately owned legal entity and does not accept any responsibility or liability for the actions or inactions of any individual member or correspondent firm(s). Independent Audit Report to the members of Newcastle & Port Stephens Game Fish Club Limited

Other Information

The directors are responsible for the other information. The other information obtained at the date of this auditor's report is included in the Annual Report, (but does not include the financial report and our auditor's report thereon).

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Simplified Disclosures and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

PKF NENW Audit & Assurance Pty Ltd is a member of PKF Global, the network of member firms of PKF International Limited, each of which is a separately owned legal entity and does not accept any responsibility or liability for the actions or inactions of any individual member or correspondent firm(s). - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

 **RENEW ONLINE
OR AT THE BAR** 

The banner features a vibrant background of a blue sky with white clouds, a bright sun with rays, and seagulls flying. On the left, there's a green hillside with palm trees. The water is a deep blue with white foam from waves. The text "FISHING MEMBERSHIP RENEWAL" is prominently displayed in large, bold, blue and green letters. Below this, two membership options are listed: "\$110 | 1 YEAR MEMBERSHIP" and "\$300 | 3 YEARS MEMBERSHIP". At the bottom, there's a call to action: "RENEW ONLINE OR AT THE BAR" flanked by a laptop icon and a beer mug icon.

*The underlying spirit of angling is
that the skill of the angler is pitted
against the instinct and strength of
the fish and the latter is entitled to
an even chance for his life.*
